

LED MOTION SENSOR EDGELIT

Save energy with our integrated PIR motion sensor ceiling luminaire!

Our LED Motion Sensor EDGELIT luminaire helps conserve energy by automatically turning on when motion is detected and off when there is no motion. Offered in a white finish, this luminaire is ideal for a wide range of applications such as kitchen pantries, closets, laundry rooms, attics or even in a hallway.

Features

- 7" EDGELIT luminaire with motion sensor, automatic ON/OFF
- Available in two color temperatures – 3000K and 4000K
- 120V
- 80+ CRI
- Damp location

LED MOTION SENSOR EDGELIT

PIR MOTION SENSOR FUNCTIONS

- 5 meter (16.4 feet) detection range
- After 60 seconds of no motion detected, the ceiling luminaire will turn off

With a sleek design and an integrated PIR (Passive Infrared) sensor, our LED Motion Sensor EDGELIT is a great solution for energy savings. With its twist-lock installation, it can be quickly and easily installed flush to a wall or ceiling.
